**Matt Brooker**  
**Vice-President of Sales**

Matt Brooker is the Vice President of Sales at Automotus, where he helps municipal transportation leaders create safer, more sustainable streets through effective curb management. Matt has over eight years of parking and mobility technology experience with a focus on on-street operations, and was recognized as one of the National Parking Association's "40 Under 40" in 2022. Matt lives in Cleveland, OH with his wife and their two cats. In his free time he enjoys woodworking, playing guitar, and seeing live music.

NOVEMBER 12-13, 2025

**Matt Caywood**  
Co-Founder and CEO

Matt Caywood founded Actionfigure to make transit and shared mobility easier to adopt and use, helping cities be more sustainable and healthy. He led the development of Actionfigure Screen, Actionfigure Mobile, Actionfigure Insights, and MobilityScore®.

Caywood serves on the Board of Directors of the Open Transit Software Foundation, and is active with MobilityData, the Federal City Council, and the Association for Commuter Transportation. Prior to Actionfigure, he led teams developing artificial intelligence systems and brain-computer interfaces for transportation and geospatial applications at the MITRE Corporation. Caywood holds a PhD in Neuroscience from the University of California San Francisco and holds a degree in Computer Science from Harvard University.
