ABOUT

The 82 Alliance is a not-for-profit mobility think tank focusing on reimagining how people move throughout our towns and cities. As our world evolves, we should be planning for a better tomorrow.

WHY JOIN?

Join an alliance of people, organizations, and communities who work together to implement and enhance mobility choices for all.

MISSION

Creating a better tomorrow for all.

THE 82 AWARDS

The 82 awards will be distributed annually to those who are working in the following areas; trip reduction, enhancing the built environment, improving equity, helping to reduce the impact of climate change, and or advocating for positive change that creates a better tomorrow for all.

The application fee is **\$150** for nonmembers and supporter level members. The application fee is waived for our Advocate, Champion, and Society level members.
